

Hi, my name is Mary Cosey, I have been a student at Anglia Ruskin University for 1 year studying MA Human Resource Management. Currently, I am intermitting my studies to fulfil my elected office role as Vice President for Business and Law Faculty.

I have two younger sisters and was raised in the countryside within Suffolk! I have lived all around East Anglia, West Midlands and Cambridgeshire. In my personal life, I really enjoy keeping fit, going to the gym, swimming and socialising with my family and friends.

**What am I most likely to be famous for?**

Well, I love traveling and often go abroad at least twice a year. I would be famous for traveling all around the world at least 100000 times.

**Fun Fact:** I shall be representing ARU by running the Cambridge Half Marathon on the 3<sup>rd</sup> of March 2019.
