

WELCOME TO THE STUDENTS' UNION

Izzie Miller - SU Coordinator (East India)

Meg Bennett - SU Manager

CONGRATULATIONS!

BY THE END OF THIS TRAINING YOU WILL KNOW...

- More about the Students' Union and how you can use it
- What the role of Course Champion involves (and how to be awesome at it)
- How you will work alongside the Class Reps
- When, where and how to feedback to the University

But first...

"SO, WHAT ACTUALLY IS THE STUDENTS' UNION?"

What do you know already?

(if you are thinking "I don't know anything!" then that is totally fine)

"SO, WHAT ACTUALLY IS THE STUDENTS' UNION?"

- We are a **charity** which is **independent** from the University.
- Students get to decide how we're run and what we do, through voting in elections and working with Student Reps (you!)
- Our core functions are **advice & representation**.
- We dedicate almost all of our resources to making sure the **student voice** is heard in the University, your rights as a student are upheld and you get the most out of your degree.

Another way to look at this...

1. Students give feedback to their Class Rep

2. Class Reps from within your course (number varies depending on Course size) bring this feedback to you

3. You then take this feedback to the SU and University Staff

4. The Vice President (and SU) lobby for positive change relating to these subjects
