

Staff Election Guidelines

The SU's approach to the election:

- We will elect people in a free and fair manner
- We are not here to give everyone an equal chance of winning, but a fair one
- We will help candidates to engage better where we can

All Staff*

- Encourage students to apply from 9th January – 16th February 2023 at angliastudent.com/election
- Encourage students to vote during voting week (24th February – 2nd March)
- Send an anonymous recommendation for a candidate using 'recommend a friend' at angliastudent.com/election
- Talk about the election
- Ask the SU any questions you have about the election at e.howes@angliastudent.com

- Give students opportunities to promote candidates as long as you are willing to allow ALL candidates who request this to do the same
- Inform the SU if you are concerned about candidates behaviour or campaign materials at e.howes@angliastudent.com
- Vote if you are a member of the Students' Union (a registered student, including PGR)

- Move or remove campaigning materials
- Promote individual candidates or tell students who to vote for on any platform, including social media accounts**
- Support individual candidates or offer opportunities which may give an unfair advantage
- Discourage student engagement with the election
- Share candidate information prior to the close of nominations on 16th February at 12pm

*These guidelines include unpaid and voluntary roles and apply to student staff members only when on duty.

**For student staff members, this pertains to professional social media accounts only.
