Priority campaign(s) and objective(s)

Progress on priority campaign(s)

I've helped start up the Gardening Society, and Selina has assumed position of President as I've been unable to commit recently so I've taken on Vice. I've held a Swap Shop for Mental Health awareness week with the Psychology Society. I've ran two Fairtrade events on campus on behalf of Lush, one in LAB and one in the Helmore Street, making bath bombs and explaining about Fairtrade. I'd also like to raise that I'd like to get a clothing donation bin on campus somewhere where people can donate at any time, and the donated clothes be used for homeless shelters/activists in prison/students in prison etc. I'd also like to quickly raise an old student council policy of cruelty free cleaning products of I may.
