Summary: *This paper provides an update on the priority campaign(s) of the Executive Committee member*

Priority campaign(s) and objective(s)

Conference for international students and human rights

Progress on priority campaign(s)

Has I've been working/ organizing this for quite long and since the last meeting here it goes.

I created a group that I will need to spread the word around and invite as many international students we can. Can we forward this to the international department?

Can we have a simple design header poster for this? Someone with good skills at SU. <https://www.facebook.com/groups/482652148587585/>

What I need also is if the Rep for the department of humanities and social sciences can forward an email asking to some lectures and even some students from the following departments in this link: <http://www.anglia.ac.uk/arts-law-and-social-sciences/department-of-humanities-and-social-sciences/staff?page=1>

Can any of you help me to forward to the correct people and spread the word about this? So I can contact the correct people?

I don't want to send email in the wrong way, so I really require a hand on this as soon as possible.

Dates I was thinking between the 25th - 28th of April.

The topics that I want to involve in the talks are the following ones:

-International Human rights (UK, Europe, etc)

-Immigration. Difference about Immigration and political asylum, Refugees. -Media controversy about War and economic issues worldwide

-Women, Men and gender equality rights in some countries/culture

-Want to bring speeches of individual cases of people and students, about their culture and how the general judgment of media can tag an entire culture unfairly in the public eyes.

-Violation of human rights and human traffic.

I just want to forward one of those days only for general issues regarding international students at ARU Cambridge, an

informal face to face meeting. The other 3 will be about the topics above.

So I just need to book rooms for those days, spread the word around the campus (promote it) and also I'm planning to bring a group of actors to do a play called "A Boy in a Beach", a fringe play I saw in London that has a very human and touch story about refugees life (is a comedy-drama), I'm in talks with the drama department about this.

I also forward to the picturehouse in Cambridge the following link to approve a screening of this film documentary:

<https://www.facebook.com/SOLDmovie/?fref=ts> I've to wait 5 working days to know about this.

This is the general programme I'm thinking.

An update on engagement with coach and mentor/mentee(s)
