**Summary:** *This paper provides an update on the priority campaign(s) of the Executive Committee member*

## Priority campaign(s) and objective(s)

Happy Clubs – To improve the quality of how the Sports Clubs interact with the Union, University and Active Anglia. Whilst also making the whole experience vastly improved.

## Progress on priority campaign(s)

- Gather all the names and emails of the Sports Club's presidents and create a list. - Completed
- Organise a meeting with all the Presidents and talking about any problems. – Postponed due to one-on-one with Martin Beaver
- Create a survey asking sports club members how well they feel represented in their sports and ask how they feel they could be better represented. – Main points made, just need to get a move on with it, may postpone till my second term as SCR
- Contact other unions to see how they have improved quality in sports – Not yet mad progress.

## An update on engagement with coach and mentor/mentee(s)

Both Sarah and Alun have been giving me tips on how to address the Active Anglia Committee and provide them with the feedback I've gained in order to start wedging that door open again.

## Further support required from the Executive Committee/Students' Union
