

WOMEN'S REP (CAMBRIDGE) ONE PAGE PLAN

Name: Millie Smith

Name of priority campaign: Gender neutral toilets at every campus at ARU

Input (resources, time and budget)	Activity	Completion date	Outcomes (the result, effect, change etc)	Indicators of outcome
<p>Possibly flyers/posters/tea bags and sweets to help raise awareness of the campaign. Maybe a website page to explain the cause and to get a petition on the go.</p> <p>Around a month to get everything ready to launch, and then campaign for 2 months (Once in December and another in January)</p>	<p>Flyering, raising awareness of the campaign before launching an online (and possibly around the university petition to get gender neutral toilets in the university buildings).</p>	<p>I would like to have the petition to be finished and counted, and handed over to the Council by March at the latest, in the aim of having the toilets added for the next academic year.</p>	<p>The outcome would be having gender neutral toilets in as many buildings as possible at ARU, on all campuses to help improve the quality of different genders' time at university as well as showing that the university supports them.</p>	<p>Hopefully happy students able to enjoy using the toilets free of fear of being judged!</p>
