We went to the NUS National Conference. I spoke 4 times in total; we spoke on our motions/amendments about facilities and services opening times (calling particularly for longer opening hours for mental health services), paramedics being included in NHS bursaries if they are reinstated, and about disabled students being able to access elections.

I ran for student director, which is like a trustee position, of NUS. At the time of writing the vote has happened and the ballots have been counted so I'm just waiting for some results!
