MARY COPSEY - VICE PRESIDENT (BUSINESS & LAW)

My campaigns, policy and other work

My Campaigns

Carers Awareness	Working on

- Childcare support - **campaign win**! We have signs welcoming our student parents to breastfeed in out student spaces. Currently, in cambridge there is no located breastfeeding facilities at University.

Working behind the scenes on issues that impact students who identify as Parents and/or Carer
- *Academic Support, peer support and childcare.*
- *Meetings with SU advisers updates to website*
- *Meetings with university updates to website*
- *newsletters and blogging*

Community Project - Carers Awareness
The survey is now closed, students have now chosen their 2 charities to donate to in both cambridge and Chelmsford. Going forward, we now will contact the charities and create a list of what items they want/will accept as student donations. We also need to create the donation boxes using recyclable items.

Business Blogs (faculty of Business and Law)	Working on

This Campaign is under review and evaluation next steps with possible transferring to the faculty going forward.

International Support Package	Working on

- *Launched an article highlighting what am I entitled to ask an EU and International Student*
- *Attended a global week debrief*

***Action plan going forward**: speak to other faculties and get them on board with this campaign and international support.*
- *Follow up with international office about international students within other faculties and what (if required) support, development, new ideas are needed).*
- *International tile proposal*
- *Evaluating language that is used throughout the university and the union and continuously*

> *sending in recommendations to improve terminology used within relevant departments to be "student friendly"*
