 Mental health campaign

Progress on priority campaign(s)

Green week is now completed.
 The launch of Green Monday has been done and now that is all implemented and happening.
 Solidarity pledges - I'm now starting to focus my attention on this and have decided to bring consent training and a mental health campaign (details to be confirmed later) in to this campaign. Set to all happen early next year. Lots of very interested students and staff that want to help with this campaign.

An update on engagement with coach and mentor/mentee(s)

Social media page
 Casual meetings
 Need to book one to ones
 Had fantastic support on campaigns from mentees

Further support required from the Executive Committee/Students' Union
