

POSTGRADUATE REP (CHELMSFORD) REPORT

For the attention of:	Executive Committee	Taking place on:	09/12/15
Name:	Rabbi Deloso	Action:	To note

Summary: *This paper provides an update on the priority campaign(s) of the Executive Committee member*

Priority campaign(s) and objective(s)

Stop Scrapping of Maintenance Grants

Start or join Campaign to keep Maintenance Grants free for all students of Health and Social Care programmes. Scrapping Maintenance Grants will be a major deterrent for people of poor background to enter Health and Social Care Professions (e.g. Nursing, Social Work, Midwifery, Paramedics). This, in turn, will impact on social mobility.

Progress on priority campaign(s)

No progress yet. I expect to complete survey of relevant students by January 2015.

An update on engagement with coach and mentor/mentee(s)

Will be meeting coach and mentor soon. No scheduled date as yet due to academic commitments and my coach was away on holiday earlier in the process.

Further support required from the Executive Committee/Students' Union

Will get back to you on this.
