My campaigns

Access to cheaper accommodation	In Progress
<p>Reason behind to take this as my campaign because students are taking accommodation from private proprietors and they were wasting their international exposure If our accommodation is feasible for everyone, we can accommodate more students and it can be seen more focused on their studies and accommodating various countries students makes a cultural diversity compared to other universities Cambridge is one of the most expensive cities in U</p> <p>For this I have presented my campaign in Accommodation strategy group as well as planning to make 1 to 1 meeting with the estate and facilities team, and I have been gathering feedback from students planning to make focus groups</p> <p>Going through the accommodation campaign which run on last year</p> <p>Meeting students in person for collecting students feedback</p> <p>Planning to reduce the contract period to make convenient for students</p> <p>Met Andy Lefley and Paul Harris to discuss the idea of flexible contracts</p> <p>Represented student union in accommodation strategy group making arrangements for January arrivals</p>	
Increase the number of placements	In Progress

The main motivation behind this is students are opting placement course because of the working experience but it's hard to find an internship for business and law students, If they got an internship they can be more easy to find out a job So after their graduation if we could implement a placement that would be really helpful for the students as well as that would give them a new experience for their future

For this I have been planning to work with student service, and also made conversation with placement and employability manager, For this I have presented my campaign in FPT as well as FEC meeting

We created a faculty forum for collecting feedback from students

Making awareness for students to apply for placement through University

Made Survey and feedback from students regarding placement issues

Spoke with student success manager matters arising in placement late submission

Made frequent conversation with student engagement manager

enquired with Nicola and Abi about having early support for students who want to have the second placement year to find a placement and complete the applications processes in time

Mental health awareness and counselling session,

On Hold

After reading an article, from personal life experience from students issue they all are isolate from last year onwards most of them are stressful and it makes lot of impact on their life cycle as well and that article stats shows variation in using alcohol and drugs this is mainly because of lack of engagement, nowadays we are outsourcing a good mentor can make a lot of difference
