Name:	Thea Maragkakis	Action:	To note

Summary: *This paper provides an update on the priority campaign(s) of the Executive Committee member*

Priority campaign(s) and objective(s)

The Rucksack Project - to collect donations from my village in Gosfield and students of the ARU Chelmsford campus and make backpacks to give to the homeless of Chelmsford. This will give students a sense of community and bring together both of my communities to make a difference.

Progress on priority campaign(s)

Have started putting posters up about the project in Gosfield and raised some interest. I have also received some donations. I am in the preparation stage for doing all this for Chelmsford. I am planning to go to halls, put posters up around the campus, send emails out and push this idea.

An update on engagement with coach and mentor/mentee(s)

Talked to mentor and have come up with a list of contacts to get this idea going and ways to get the word out around the campus.

Further support required from the Executive Committee/Students' Union

Confirmation of possible use of SU as collection point.

Updates of contacts and decisions.
