

## INTERNATIONAL REP (CHELMSFORD) ONE PAGE PLAN

Name: Precious Nwanze

Name of priority campaign: Student accommodation challenges

| Traine or j               |  |                 | priority campaign. Student accommodation chatteriges |                      |
|---------------------------|--|-----------------|--|----------------------|
| Input (resources, time    | Activity   | Completion date | Outcomes   | Indictors of outcome |
| and budget)               |  |                 | (the result, effect, change etc)                     |                      |
|                           | Will create a questioner which will be   | February 2016   | International Students saying they feel              | When Estate agent    |
| 1 weeks to get a          | distributed to international students. This  |                 | at home while studying at Anglia Ruskin              | gives out            |
| constructive questioner   | questioner will contain questions like   |                 | because they have a conducive place                  | accommodation to     |
| and 2 weeks to distribute |  |                 | without saying I am squatting with a                 | Students.            |
| the questioner to         | "How do International Students Feel when   |                 | friend as a result of not been able to find          |                      |
| international students    | Estate agent don't accept to sign them up for  |                 | accommodation all those frustration will             | When I see smiles on |
| and get feedback          | Accommodation"   |                 | be eliminated.                                       | the face of          |
|                           |  |                 |  | International        |
| 3 weeks to interview      | Conducting an interview with Chelmsford  |                 | Accommodation office providing                       | students when I hear |
| Estate agents and         | Estate agents "if it is possible to give out   |                 | reference letter to capable International            | them say they want   |
| university                | accommodations to International students   |                 | Students who has proven to have enough               | their family and     |
| accommodation staff and   | because London estate agents gives   |                 | fund to pay for accommodation which                  | friends to come and  |
| get feedback              | International Students Accommodation" I will   |                 | will be provided by Estate agents                    | study in Anglia      |
|                           | show them prove I have already gotten from   |                 |  | Ruskin University    |
|                           | London Estate Agents   |                 |  | because they know    |
|                           |  |                 |  | their family and     |
|                           | What is their opinion regarding "the university                                      |                 |  | friends will also be |
|                           | building more accommodations"  |                 |  | comfortable while    |
|                           |  |                 |  | studying at Anglia   |
|                           | Then an interview will be conducted with the   |                 |  | Ruskin University    |
|                           | university accommodation staff to know why   |                 |  |                      |
|                           | a student after signing up for 6 months  |                 |  |                      |
|                           | contract if the student can't get private  |                 |  |                      |
|                           | accommodation from estate agent or private landlord "why are this students not given |                 |  |                      |
|                           | ,  |                 |  |                      |
|                           | opportunity to renew their contract and have a place to call their home"             |                 |  |                      |
|                           | a place to call their nome   |                 |  |                      |
