Progress on priority campaign(s)			
<p>2. Monthly distress events</p> <ul style="list-style-type: none"> - The aim of this campaign is to extend last year's distress fest into a more frequent occurrence on both small and large scales. - How I am going to achieve this aim is through working out the events and dates so that as many students as possible can attend. - What I have done so far I have collaborated with student services on one event and we will be running another together. I have some dates and places already insight so please check out the attachments. There is also a budget break down for what is needed and why. - What my next steps are to put all of these in the staffs calendars, set up events pages on the website and get the communications out there so everyone can join in on the fun! <p>Update January 2018</p> <p>The last LUSH cosmetics event had more than 120 students on the combined campuses. Which is really exciting and I also saved a bit of money on the Chelmsford event, due to their honouring prior agreed upon rates.</p> <p>I have received funding for the next two events which are my fresh check days and you are irreplaceable bracelets. The fresh check date for Chelmsford is on the 29th from 12-2pm in the dome and on the 31st in HEL street from 12-2pm. Feel free to drop by and check it out. The You are irreplaceable launch is super exciting and I will be working with Laura to get this launched during LGBT History month in February.</p>			IN PROGRESS

Black History Month

- The aim of this campaign is to empower students through representation and a celebration of culture. Last year's first ever black history month was large and we aim to have the same kind of buzz.
- I will achieve this through running successful and student lead events for the month.
- So far I have worked closely with Katie P, to get other administrators in the University to get involved. We have had by in and have had our most expensive expenses for BHM covered! There is a calendar of events out and weekly events happening. I also have NUS president Shakira Martin in to speak as well as Lionheartfelt a TEDx and BBC international speaker.
- Booked all the needed rooms, made adjustments and finalized the times.
- A variety of societies are involved and excited to partake!
- ACS will be hosting a fashion show and Katie and I have been working closely on everything to ensure it's a success.

Update January 2018 "3Vs"

The events that fall under this campaign aim to promote pride through cultural awareness, entertainment and education. Although ambitious I would like to work towards breaking down barriers of ignorance of different heritages, through facilitating events that encourage better understanding through representation thus enhancing the diverse community we have within the ARU community.

- I have finished the design briefs for the shareable images and the main launch video/image on Voice, Visibility and Validation.
- I am working on getting the videos and images together for the launch with the help of our Cambridge BME rep
- The main three events to kick off this campaign will take place during global week. On Monday the 13th there will be a global fashion show and on the 12th there will be a 'reppin your roots' open mic night. Both of these events are taking place only on the Chelmsford campus.

3. Monthly drop- ins

As Vice President of two different faculties I appreciate and embrace the fact that each faculty has their own students with different individual needs. Bearing this in mind I would like to host monthly drop in sessions allocated to different key areas dependent upon which campus I am on. The chat would be a time where you could express questions, concerns, happiness or any other feelings regarding your course. I will do my best to improve and help change things that are widely and deeply felt by students within the FHSCE and FMS student body.

The drop in sessions would also be a time where students can come in and generally meet other students within their faculties and relax. I am aware that some students won't be able to make day time hours, due to this I will also try and host evening sessions so as it's more inclusive and accessible.

Update January 2018

I have been meeting with lots of students and am collaborating with a few of them on upcoming campaign events. The shareable image and pop up poster are done. So it's a go!

4. Cultural GIAG

The idea behind this is that I was homesick and I thought that it would be great to have GIAG activities centered on learning about different cultures. Students teaching others about their cultures, doing some activities and enjoying great food from around the world. I thought it would be a great way for students to embrace where they are from and to share it with the ARU community.

Update Nov 17

- Cultural GIAG inflatables budget ran over by £40 due to shipping. I ask that the £40 be taken out of my communications budget to pay it back.
- Teaser videos and most of the communications has also been done. Passports and boarding passes look amazing!
- The event is now live on the website as well as on Facebook. So please feel free to share that!
- I am contacting the Jerk station to have them cater the event and am asking for an extra £50 for food. The projected £150 would not be enough to cover the service charge for food service.

Update January 2018

- The event is finally set to happen in Chelmsford on February 1st from 12-2 in the dome.
- I have booked the photo booth and am working on changing the green screen images to be that of places in Nigeria. The cater is making nice little snack and finger foods so students can have a taste of traditional Nigerian food.
- I am working with Georgia to get the passports and boarding passes printed in house as the images are already done and ready.
- The event is already live on Facebook and has a few people who have RSVP but please feel free to like and share!

5. Family day: the one stop shop

Work in progress, I will update better once I get the other campaigns rolling and out. From the talks I have had with different faculty members there is a major buy in to this and im really excited/ looking forward to working more on this to roll it out for term 2!
