**Summary:** *This paper provides an update on the implementation of the policy*

1. To use any employability events the Union is involved in to promote that students deserve a living wage and to talk to students about why they should seek a living wage employer when looking for work.	<b>IN PROGRESS</b>
2. To take part actively in the next living wage weeks while this policy is active.	<b>NOT STARTED</b>
3. To put the Union's commitment to the Living Wage into their recruitment practices and internal policies.	<b>NOT STARTED</b>

**Updates:**

1. Was promoted very heavily at KK's part time jobs fair! Rose Willioamson was particularly excellent at shouting about it.
2. This week has passed so will be handed over to the next Executive Officer team.
3. Clarification to be sought on the best way to take this forward.

FVC/LEDIC are asked to **DISCUSS**
