Input (resources, time and budget)	Activity	Completion date	Outcomes (the result, effect, change etc)	Indicators of outcome
<b>1 hour of my time</b>	Introduce myself to the Facebook LGBT+ Representative. Offer my time to any student who will need it to discuss the way they want to see LGBT+ put forward within university.	<b>15/11/2015</b>	Hoping to get an idea on the student opinion.	Feedback from those registered on the Facebook community.
<b>1 Hour of my time</b>	Meet with the Leader of the LGBT+ Society and join with them to ensure I stay abreast of the feeling of students who need a voice in this community.	<b>15/11/2015</b>	Gather feedback from attending the meetings and any minutes taken from them.	Direct feedback from the LGBT+ Society members who have paid subscriptions to the society.
<b>2 hours of my time</b>	Complete the Volunteer profile and encourage students from ARU to give up their time for some of the excellent LGBT+ causes we currently have going on at present.	<b>09/11/2015</b>	To get all students involved in LGBT+ events and to encourage community spirit and involvement for the promotion of LGBT+ rights/safety and to understand what it is like to be an LGBT+ individual and how it can feel when abuse/hatred/isolation amongst other things are projected on you for who you love.	Direct community engagement in national level events and to combine the fun and serious elements of LGBT+ struggles to gain acceptance.  To have a first point of call for initial interactions with the community area.
<b>3 hours of my time to include volunteers</b>	Meeting with Lara Jaffey, Chair and CEO of The Pink Festival, SexYouality and Encompass. Get firm dates for the Pink Festival and discuss the opportunities available for Volunteers within her charity organisations.	<b>20/11/2015</b>	To gain valuable insight into the input students could have to develop and grow the charity within the Cambridge area. Gain a safe spaces pledge for all student promoted places – The Tram, Revs etc.	Will provide university wide Data to allow me to run specific workshops for LGBT+ people. Also to enable me + volunteers to put together some kind of Video on YouTube to email university wide on the outcome of the poll.
<b>3 Hours to set it up with equality based questions</b>	Set up a poll everywhere for all students to complete.	<b>30/11/2015</b>	<b>To get a university wide input on how LGBT+ people see their safety/ability to be themselves within the UNIVERSITY. To see how all students react to LGBT+ Students.</b>
