For the attention of:	Executive Committee	Taking place on:	11/01/16
Name:	Natalie Walsh	Action:	To note

Summary: *This paper provides an update on the priority campaign(s) of the Executive Committee member*

Priority campaign(s) and objective(s)

- Organise and schedule events for LGBT HISTORY MONTH – February 2016
- Liaise with SPORTS regarding the best ways of integration for LGBT+ Members and how “LAD Culture” can be the barrier for many students
- Networking with the community events available to ensure the LGBT Community at the University are aware of the services available.

Progress on priority campaign(s)

1. I have got a provisional schedule of events into the County Wide handbook for LGBT events.
2. I have managed to secure some outside talks/workshops/training sessions for LGBT history month.
3. Providing a bridge for LGBT students to access the community service and integrate with other members
4. Despite asking for help from all the Societies and clubs I have not had a single response.
5. Despite asking for assistance with some sporting events for LGBT HM from Active Anglia, there has been no correspondence regarding this request.
6. Getting the LGBT society information on their web information and also to ensure they stay running whilst the president post was open.
7. I still need to get the rooms booked for all the events
8. I still need to get some funding for the events I wish to hold.
9. I still need to get to meet up with Sarah and Grace to ensure the missing elements are taken care of
10. Organisation of the family fun day is still required

An update on engagement with coach and mentor/mentee(s)

Have not managed to get to meet with Grace due to ill health and various hospital appointments.

Further support required from the Executive Committee/Students' Union

I will need to get some funding sorted for the family fun day I wish to hold in order to close the month on Sunday 28.02.2016. I would be keen to get the help of the other officers to organise and facilitate a fun-packed day for the whole family regarding the LGBT+ History Month theme of Religion, Belief & Philosophy.
