

EXECUTIVE COMMITTEE UPDATE

CAMPAIGN REPSCampaigns, projects and other work

[Niamh Cubitt/LGBT+]

Pronoun badges:

Going well. The badges should either be on their way or already at the uni ready for LGBT+ history month. There's gonna be an opt in way for people to respond and give their opinions on the badges so that if there are popular improvements can be made with later waves of badges.

Refreshers meetup (mon 28th):

Hasn't happened yet for past Niamh but will for future Niamh

LGBT+ History month:

Stuff is still being organised all over but it's shaping up to be a really good.
