What are you delivering?	Estimated Cost	What you need and why you need it:
<i>Small purchases - e.g. sweets/fruit to hand out to students, tea/coffee to hand out over exam period.</i>	£200.00	A small budget to be used for ad-hoc/impromptu purchases aimed at kind acts towards students. This will allow us to be more reactive with our work rather than having to plan months ahead of time (which can be difficult at busy times).
Total Requested	£200.00
