Summary: *This paper provides an update on the priority campaign(s) of the Executive Committee member*

Priority campaign(s) and objective(s)

Interaction enhancement between Societies

Progress on priority campaign(s)

Have spoken with incoming Societies Rep (Cambridge), explaining what it is that I was working on. She seems very keen to make the role her own but recognises that what I was working to achieve is a similar goal.

Unfortunately, due commitments else where and a new job, the questionnaire I wished to have sent designed and sent out shortly after the end of semester missed its deadline and was still in its infancy.

An update on engagement with coach and mentor/mentee(s)

Whilst Sarah was in the country, regular meetings were held and my presence was used at C&S forum to help towards goals.

A meeting with Jo Harbrow was finally made after numerous attempts on both our parts, priorities were agreed and, when required, expectations were re-evaluated.

Further support required from the Executive Committee/Students' Union

Support in this role was fantastic, however with new full time employment, commitment will be cut right back.

I would like to wish the new Officers and Exec the best of luck with the coming year!
