

CAMPAIGN UPDATE REPORT

Prepared for:	Faculty Voice Committee (FVC) and Liberation, Equality, Diversity and Inclusion Committee (LEDIC)	Date:	20/06/2018
Prepared by:	Kirran Khan	Role:	Vice President (Business)

Summary: *This paper provides an update on the implementation of the campaign(s) of the Executive Committee member*

A More Personal Tutoring System

Aim: To review the PT system, ensuring that it is effective for more students

Objective(s):

- | | |
|--|-------------|
| 1. Conduct primary research in the form of a survey | COMPLETED |
| 2. Generate a series of recommendations to improve the PT system | IN PROGRESS |

Updates: JUNE 2018

1. The survey is complete with over 180 responses. This is combined with focus group data and Made A Difference nominations to create a full picture of student feedback on personal tutoring.
2. The student feedback has been sent over and has been referenced, embedded, and included as a part of the final report which Ruth and I are due present at Senate (ARU's most senior academic board) on June 13th.

Part Time Jobs Fair

Aim:

Objective(s):

- | | |
|--|-----------|
| 1. To provide students with the opportunity to meet with employers and secure part time jobs | COMPLETED |
|--|-----------|

Updates: JUNE 2018

1. I'm looking to hold another Jobs Fair in Freshers September 2018 but this is still in the early stages of planning and am currently in the process of meeting with relevant SU staff to organise this. Conversations surrounding who will take the project forward are ongoing
2. I will be writing a proposal to take to the Activities and Commercial teams outlining what went well from the part-time jobs fair in February. This will also outline any challenges we faced – especially in preparation for the event. I will draw on anecdotal student feedback to demonstrate the extent to which there is sufficient student demand to run another event in September. Throughout this, I will continue to liaise with the Employment Bureau.

Bike Safety	
Aim: Generate awareness of safer cycling practices	
Objective(s):	
1. Speak to a large proportion of students who cycle into campus	IN PROGRESS
2. Provide offers on cycle lights / locks	IN PROGRESS
3. Provide maintenance checks	IN PROGRESS
4. Provide cycling proficiency training	IN PROGRESS
Updates: JUNE 2018	
<p>1. I organised Give It A Go sessions for the 17th April in CAMBRIDGE (12-1, LAB006) and the 18th April in CHELMSFORD (12-1, MAB008). We had external presenters coming in from Outspoken (Cambridge) and Essex Safer Cycling (Chelmsford) to talk about how to be safe as a cyclist. Cambridge's event was attended by three students and unfortunately Chelmsford's wasn't attended by any students.</p> <p>2. I will be writing a proposal to take to the Activities and Commercial teams outlining the need for a cycle safety event in September for new and returning students to learn how to be safer cyclists. This will also outline any challenges I faced – especially in preparation for the events. I will draw on anecdotal student feedback to demonstrate the extent to which there is sufficient student demand to run another event in September. Throughout this, I will continue to liaise with the Environment Team</p> <p>3. I have submitted a proposal to Tom Manville (Commercial Services Manager) to discuss a possible bike safety bundle. Currently, the bundle is set to include:</p> <ul style="list-style-type: none"> • A bike lock • Bike lights • A seat cover • A granola bra • A high visibility strap <p>The bundle is currently projected to cost £20 but I welcome Exec's feedback on this.</p>	

FVC/LEDIC are asked to **DISCUSS**
