INTERNATIONAL REP (CAMBRIDGE) ONE PAGE PLAN Anglia Ruskin Name: Nanci Tareco Neff da Cruz Students' Union Name of priority campaign: International Students; Be part of Anglia Ruskin. Be participative, Be included. Input (resources, time Activity Completion date Outcomes Indictors of outcome and budget) (the result, effect, change etc) It can include food, music, Festival and events related nationalities in April 2016 It can be more noticed, more integrated It will give eben more prestige to the Uni social parties about their not only between themselves, but campus culture. Once every socialise with people from other and will bring more countires and English people as well. It diversity to the future month or 2 months, for will change the wall that we normally each nationality present generations build up between us, and people like to their own around campus in groups visit and travel those countries in Summer With these activities people can share We can be pioneers Create activities in arts Arts and film activities/festivals Dec 2015 and more little film and arow more in this more about their culture, about their countries, and exchange their social field. Including doing festivals in the uni knowledge with others. Arts has been a exchange trips to (together with the huge and great connection in this field societies or create a new those countries in society that can deal with and could grow with active participation. holiday breaks with this for international the members of the students) society. With these activities we can open the This can give a good Human rights convestions/talks/speeches Contact organisations Feb 2016 that deal with this, and do consciousness of many people from image as well to different sides. We can talk about the Anglia Ruskin and every year a convention about human rights, and realities, the pros and the against of how much we are different cultures, their situations, we every 3 months tlaks and interested in giving speeches done by the can create a new education based in sell our support to these information, directly coming from people students about their kind of issues and countries and give them and those involved in it like stop the abuse of freedom of speech as organisations as 'Save the Children' etc.
