## Disabled Students Conference

Angela Sizer is our elected Disabled Students Representative (Chelmsford) but unfortunately, she is unable to attend this conference due to deadlines and exams over this period. Angela and I have discussed this as I was planning to request to go as an observer. Each university is entitled to 1 delegate and up to 3 observers for observers there is a £200 fee and delegates attend for free. As the delegate place is unfortunately not filled on this occasion I have put myself forward to attend.

### Why me?

- I self-define as a disabled student
- As I have been re-elected, the knowledge I gain from this conference will provide me with further insight on how we can support students with disabilities at university.
- I will support motions for awareness of "hidden disabilities"
- I will vote for supporting wellbeing of the disabled student community
- I will vote for taking action against race and racism, inclusivity and equal access to facilities.

more importantly, I was asked to make a speech at the opening - which I did! It went really well and I spoke to a group of around 250 women, and at the vigil in the evening I performed a poem that I wrote.

I've also been involved in the Environmental Act movement that's going on - we're trying to hold a debate about the environment with our local MPs, to ensure we get a good, strong policy about the environment so that we can restore wildlife and prevent global warming.

Access Denied	In Progress
<p><i>Actions updated: 19/3/19</i></p> <p>Paper was sent to deans with proposals for times and they actually did MORE than I asked for. The current agreement is that Compass House will be open from Monday 07:00 - Friday 23:59 and 07:00-18:00 on Saturdays and Sundays.</p>	

Society Skills	In Progress
<p><i>Actions updated: 19/3/19</i></p> <p>Cancelled Chelmsford workshop due to workload. Cambridge workshop was a huge success. We had around a dozen or so attendees. There was particular praise for Bee's session on 'Marketing Your Society' and the collaborative break-out activity. The feedback was much better than I expected for the first session. The only feedback was that the length of the session was not appropriate for the amount of material covered – the session overran by 20mins or so I think this may have been the issue.</p> <p>Next steps: Condense some of the material to ensure that the entire session can be run in 1.5-2 hours. Re-write the Cambridge-specific parts to fit with the specifications of 92.</p> <p>The plan is to do this after new society committees have been elected.</p>	

Drug Harm Reduction	In Progress
<p><i>Actions updated: 19/3/19</i></p> <p>Andrea Cheshire has instructed me that it must be signed off by the new wellbeing forum before we can launch. Would love to get some exec thoughts on this!</p>
