

My campaigns, policy, and other work

My campaigns

<i>Mental health support</i>	Status: Working on
<p>Context of the Campaign: To provide mental health support to students who are coming back to the on-campus university life and help them settle in. Also support them in dealing with the cost of living crisis and how its affecting their mental health</p> <p>Aims and Objectives: Collaborate with the wellbeing team in the university with their podcast and include stories about accommodation issues and cost of living issues from students and share the stories to students to let them know that they are not the only one going through this.</p> <p>Updates and Wins: In conversations with the wellbeing team about the progress in the podcast .</p>	

<i>SU visibility</i>	Status: Working on
<p>Context of the Campaign: Make SU more visible to student.</p> <p>Aims and Objectives: To make SU space and the services provided by the SU more visible to students. To increase the student engagement and get students to use the SU space for more events and other activities conducted by the SU.</p> <p>Updates and Wins: In conversation with the Estates and Facilities to put more sign boards around the university to direct students to the SU space. Went around the campus to put</p>	

necessary signboards to direct students to the SU and waiting for the design update and the quotation from the estates and facilities team.

Advance training in AHSS

Status: Working on

Context of the Campaign: Organize additional workshop or other training sessions for students to improve their skills to support their course.

Aims and Objectives: Make it more easier for students to get the necessary skills they need to improve their employability and also make their course easier.

Updates and Wins: In talks with the course reps to understand which courses need particular trainings and how students can make use of these trainings to make their course much easier and also improve their employability.

Other updates

Wider University Projects:

-
-
-

Wider Union Projects:

- Cost of living

In conversation with NUS regarding the cost-of-living campaigns and how we can help the students on a national level. Supporting the NUS cost of living survey with cost-of-living stalls to get students to take the survey and mail their MPs to write a letter to the chancellor to include some student funds in the budget.

- Reviewed Hardship fund application to make the application easier and more accessible to students to apply.
