International Support Package	Working on
--------------------------------------	------------

Actions updated: Planning and evidence building stage (current-ongoing)

Working on events for global week with activities and international office.

Had meetings with the Chaplin and international office

- Discussions were around the ICAFE and also the international support available, how we can work together to promote visibility and communicate with students.
- Rent Guide has been given to international office for review and feedback.
- Christmas dinner Chelmsford.
- Working on International christmas newsletter in partnership with the international office.

Global week - working with activities and International office planning events for Global week

- Hosting events - Language Exchange Event.
- International games nights SEM2

Action plan going forward: speak to other faculties and get them onboard with this campaign and international support.

- Follow up with international office about international students within other faculties and what (if required) support, development, new ideas are needed).
- Meet with international rep and any other interested campaign reps.
- SEM1 Review on international support and social experience at university.
- International tile
