

Course Reps and Postgraduate Research Reps should form part of the SU constitution – 13/02/2014

Proposed by: Gabbi Foreman (Academic Officer)

Seconded by: Francesca Rust (President)

Union Notes

1. Representation is a core value of the Students' Union
2. That students should have democratically elected Representatives to represent them at all levels
3. That the Students' Union does not currently include Course Reps or Postgraduate Research Reps in its constitution

Union Believes

1. That student representatives should be democratically elected for all Undergraduate, Postgraduate Taught courses and Postgraduate Research Programmes
2. That as an independent organisation from the university, it is most appropriate for the Students' Union to organise and manage the elections and support of these representatives

Union Resolves

1. That Course and Postgraduate Research Representatives becomes a recognised role within the Students' Union constitution
2. That the management and support of these representatives continues within the Students' Union
