## FREQUENTLY ASKED QUESTIONS

- **What if there's a draw?** In the event of a draw (where multiple candidates receive the same number of votes) the result is determined by means of random generator.
- **Why is my society not listed above?** This will be because: a) they formed since January 2022 and the committee is eligible to continue their role into the next academic year or b) there were no nominations for available positions.
- **What does RON mean?** This stands for Re-Open Nominations and is automatically listed as a candidate for all positions. If RON received the most votes, nominations will reopen for members to put themselves forward for election. RON is also listed on positions where candidates have put themselves forward but no votes have been cast.
- **What if I won but can no longer fulfil the role?** All committee members must be current ARU students, so if you're no longer a student at ARU from September 2023 or you cannot continue your role, please email [societies@angliastudent.com](mailto:societies@angliastudent.com).
