## 2022/23– Chelmsford

Accurate as of 9<sup>th</sup> May 2023

Your coordinator is Russell Meddings ([r.meddings@angliastudent.com](mailto:r.meddings@angliastudent.com))

All vacant roles will be available for nomination in the May by-elections.

If you cannot see a society, this means that no students nominated themselves for the positions. These groups will be added to the May by-election.

If a position is in **RED**, this means that the position is **mandatory** and must be filled. This role will be available for nomination in the May by-election.

Is a society or position in **YELLOW**? This means that the society may be up for adoption if the roles are not filed in the May by-election.

Is a student's name in **GREEN**? This means they were voted in for more than one role in a committee, and have been asked to choose. The role that is relinquished will be available in the by-election.

If you see a vacant position that you are interested in, please keep an eye on your emails as our by-election will be starting in June.

## FREQUENTLY ASKED QUESTIONS

- **What if there's a draw?** In the event of a draw (where multiple candidates receive the same number of votes) the result is determined by means of random generator.
- **Why is my society not listed above?** This will be because: a) they formed since January 2022 and the committee is eligible to continue their role into the next academic year or b) there were no nominations for available positions.
- **What does RON mean?** This stands for Re-Open Nominations and is automatically listed as a candidate for all positions. If RON received the most votes, nominations will reopen for members to put themselves forward for election. RON is also listed on positions where candidates have put themselves forward but no votes have been cast.
- **What if I won but can no longer fulfil the role?** All committee members must be current ARU students, so if you're no longer a student at ARU from September 2023 or you cannot continue your role, please email [societies@angliastudent.com](mailto:societies@angliastudent.com).
